»»» A DROP OF HOPE

Through a faithful logistics chain starting in the Czech Republic, EEM literature and essential aid are being placed directly into the hands of Ukrainian children facing unimaginable trauma. Petr Řezníček from a church in Vsetin felt a profound calling to help: partnering with a friend working in the Ukrainian Chaplaincy, he ensured the safety of packages containing Bibles, despite dangerous borders. He personally delivered these packages to rehabilitation centers and frontline areas affected by war, like Kharkiv, Kherson, and Kramatorsk. The children who received them are under extreme physical and psychological stress: they are primarily orphans of fallen Ukrainian soldiers.

The number of youth suicides, psychosomatic illnesses (e.g. inability to retain food), and episodes of insomnia due to regular bombings is continuously increasing in these areas.

But thanks to EEM materials and aid, these dark circumstances are finally beginning to change. The children who receive these Bibles cry, overwhelmed that someone from another country knows their pain and cares for them. They feel Christ's love more tangibly than ever, right now.

Petr and his frontline team extend their deepest gratitude to every donor who makes this possible. Despite the immense mental and physical challenges of delivering aid into war zones, they are committed to continuing this ministry as long as the need remains and as long as hope shines.

"IN THIS DARK REALITY, EEM DONATIONS SERVE AS A TANGIBLE DROP OF HOPE. THE PACKAGES ARE CAREFULLY FILLED WITH SWEETS, TOYS, HYGIENE ITEMS, VITAMINS, ART SUPPLIES, AND EEM LITERATURE. FOR A CHILD WHO HAS LOST A FATHER, OR A WIDOW FEELING COMPLETELY ABANDONED BY THE WORLD, THESE PACKAGES ARE FAR MORE THAN HUMANITARIAN AID."

FROM THE MOUTH OF BABES

While the war continues in Ukraine, children across the country are opening God's Word and learning truths that will steady them for a lifetime.

Each year, Christian school teachers host academic competitions designed to help students study Scripture, understand biblical truth, and grow in faith. At a young age, these children are building foundations that will shape the way they see God, themselves, and the world around them.

During the "Young Bible Scholars" competition, students studied the theme "Eternal Gospel," a phrase from Revelation 14:6 that points to the unchanging and eternal nature of God's good news. As they reflected on what they learned, these young students shared simple, profound truths from Scripture.

Using Bibles, children in Ukraine are discovering the character of their Heavenly Father for themselves. They are taking ownership of their faith, growing in understanding, and drawing closer to the Lord through His Word.

Read their comments, and consider the life-changing power children experience when they read Scripture in their own language.

"WHEN WE READ THE BIBLE, WE LEARN TO MAKE THE RIGHT CHOICE AND BECOME BETTER EVERY DAY. IT IS IMPORTANT FOR ME TO KNOW THIS TRUTH, BECAUSE IT SAYS THAT EVEN SMALL GOOD DEEDS HAVE GREAT SIGNIFICANCE."

- ALISA, 4TH GRADE

"IF YOU HAVE FAITH, EVEN AS A MUSTARD SEED, MOUNTAINS WILL MOVE."

- BOGDAN, 5TH GRADE

"THE BIRTH OF JESUS IS A GREAT JOY FOR ALL PEOPLE. HE WILL ILLUMINATE THE LIVES OF PEOPLE. I NEED TO KNOW THIS TRUTH SO THAT I CAN GLORIFY GOD. HOW CAN I DO THIS? I CAN READ HIS WORD, PRAY, DO GOOD DEEDS, BE OBEDIENT. THIS WILL BE MY GIFT TO JESUS. DO EVERYTHING THAT IS PLEASING TO HIS HEART."

»» THE BIBLE AS SPIRITUAL NOURISHMENT

We are deeply moved by the reports coming in from cities all across the Republic of Moldova! EEM partner Doru Cîrdei has witnessed something remarkable: the Bibles being shared aren't just accepted, they're joyfully embraced. Inmates, students, families, and unbelievers are finding deep spiritual nourishment, encouragement, and hope in God's Word.

Through devotionals, prayers, and EEM Biblical materials delivered to many, our Prison Fellowship partners are walking alongside vulnerable communities to provide God's Word as their source of hope. Children are bringing Bibles home, leading entire non-Christian families to begin attending church. Many first received their Bibles in public parks, summer camps, or Sunday programs. Doru and his church family have also seen a powerful response in prisons. Through this work, God's Word is reaching people of all ages, transforming lives, and offering hope to those who need it most.

*"We are always looking for materials that help us communicate God's message to children in an authentic and age-appropriate way. The Children's Bible provided by EEM has been a true blessing—God's Word presented clearly, with engaging illustrations that are easy for children to understand. Many of them told us they had never held such a beautiful Bible before. **All the children's materials we have received from EEM continue to be a wonderful tool for sharing God's Truth.** We are deeply grateful for them!"*

➤➤➤ AN UNEXPECTED SURGE

In April, our team experienced something unexpected: orders began flooding in every four minutes throughout the night, all for Bibles and Bible-based materials. At first, it raised concern: could this be a cyberattack? Who would request so many Bibles in a single evening? But as the team looked closer, the truth was far more remarkable: these were real orders from real people across Poland, each one a request for God's Word!

"I RECEIVED SUCH BEAUTIFUL HOLY SCRIPTURE MY FRIENDS, COMPLETELY FREE. RECOMMENDATIONS FOR BELIEVERS AND FOR THOSE WHO WANT TO DEEPEN THEIR FAITH: YOU CAN GET THE HOLY SCRIPTURES FOR FREE! JUST PLACE AN ORDER ON THE EEM WEBSITE. I HIGHLY RECOMMEND."

- CLEANTOKERKA, TIKTOK REVIEWER AND INFLUENCER, POLAND

The surge was traced back to a TikTok influencer in Poland who had received EEM Bibles for herself and decided to share her experience online. In her review, she highlighted the Bibles' quality, clarity, and accessibility. What followed was something only God could've planned: hundreds of requests poured in from families, schools, libraries, and churches, not only across Poland, but even beyond its borders.

Through an unexpected platform, God's Word reached hundreds of hearts at a scale no one anticipated!

We're grateful for every open door, even the surprising ones, and we're encouraged to see how God continues to move through every available means.

UPDATE FROM CROATIA

➤➤ INSEPARABLE FROM THE BIBLE

What would happen if students began bringing their Bibles to school each day? This unbelievable story is a vivid picture of the Spirit moving visibly in young hearts, capturing the value of God's Word!

Before school break, Mladost Elementary School in Osijek hosted a special program for students and their families. The guest speaker was a former student of the school, who shared his powerful personal testimony. He explained how reading the Bible as a young boy completely transformed his life, inspiring the children to explore the Scriptures for themselves. Through this event, copies of the New Testament were shared.

Following the main event, the school's religious education teachers integrated the books into their classes. Over the next ten days, students received the *Bible for Young Readers* or Teen Bibles, along with a *Lessons for Character Training* book. To make the season of giving even sweeter, the teachers paired the books with candy and beautifully printed Bible verses.

One teacher reported that 3rd and 4th-grade students began bringing their New Testaments to school every day. They even asked if they could take them to the school dining hall for lunch because they enjoyed reading them so much. When asked what they were reading, the children shared meaningful, connected verses they had discovered on their own.

The blessing extended even to children who do not attend religious education classes. Two such students approached the teacher asking for their own copies of the Bible. Additionally, after hearing about the project, two other non-attendance students asked to browse the New Testament and, after flipping through the pages, enthusiastically decided to start reading it.
